

## Debbie Avoux Artist Bio

Debbie Avoux is a California based artist who grew up in the San Francisco Bay Area. After graduating from the Academy of Art college in San Francisco, she relocated to Orange County which she has called home for the past 24 years.

Debbie has been a muralist for the past 26 years. She began creating commissioned paintings on canvas for clients across the US about 13 years ago, working with individual collectors, and commercial businesses. Her work has been featured on HGTV and hangs on the walls of many celebrity homes.

"Orange Bikini" is her first gallery piece. She is beyond excited to have been chosen for the Brea Gallery MICA 2021 show. It is painted in acrylics on a 48"x60" canvas and depicts the artists tongue-in-cheek version of life in Orange County. It represents the sun, fun, and bikini lifestyle found year-round in this amazing county. Additionally, you will find her kids represented in each design she creates with the two ladybugs she adds to the side of each original painting.

Her unique works can be found on Instagram and Facebook, along with her acrylic paint tutorials on her YouTube channel @Debbie Avoux Studio.
